TOWARDS GLOBAL EMINENCE

Cultural Experiences

Students may take excursions to experience Korean culture and supplement what they learn throughout the program.

• Seoul City Tour: Students will get to know and enjoy the capital Seoul, the city of past, present and future of Korea. e.g. Seoul City Hall, CJ Food World, Namsangol Hanok Village, Non-verbal performance etc.

• Korean Culture Week: Students will be able to supplement what they learn in classes through an array of historical and cultural programs that expose them to East Asian culture. e.g. Nami Island, Caribbean Bay, Broadcasting Station, DMZ etc.

The Global Collaborative

- The program seeks to promote a better understanding of the world, in tandem with the current quests for 'world peace' and 'global common good.' The goals of program include:
  - Building an international network through the exchange of human resources and collaborative research
  - Providing students and professors with a variety of high-quality education and research opportunities
  - Cultivating world citizens as leaders of global civil society

Credit Hours & Grading

- 3 credit course: A total of 45 hours of in-class sessions
- Grading is based on attendance, student participation, homework and examinations. Assessment for grading will be determined by each instructor and Kyung Hee University requires a minimum of 70% attendance to receive academic credits. In case of undergraduate students at KHU, the grades will be marked as Pass/Non-Pass on their transcripts.
